SUMMER READING TRACKER

BRING YOUR TRACKER TO A REFERENCE DESK AT ANY OF OUR LIBRARIES TO BE RECOGNIZED IN ONE OR MORE WAYS:

EARN POWS

- Color in a window for every 20 minutes read.
- For every colored-in window, a child can write his or her name on a POW and post it in the library.

EARN STARS ☆ ☆

- Once a week, visit our website at www.daviscountyutah.gov/library and click on the Kids' Kave link.
- Click on each object and learn something new. Color in the matching window.
- Visit all the objects in the Kids' Kave and receive a star to post along with the POWS on the wall at the library.

COLLECT TRADING CARDS

- Earn a trading card by reading 2 hours.
- One of 10 different trading cards will be offered each week during the Summer.
- Children who visit the website and earn a star can also earn 2 specialty cards!
- That's a total of 12 trading cards!
- Challenge your family and friends to collect sets.
